- Forever Fragrant® discs made in the USA.
- Unit made in China.
Included:
• 1 Forever Fragrant AirFLO™ unit.
• A/C Adaptor.
• 4 Forever Fragrant® Scented Discs.

Operating Instructions
(SAVE THESE INSTRUCTIONS):

1) Place the air purifier upright on a flat, level surface.
2) Plug adaptor into the air purifier first and then into wall outlet.
3) Insert Forever Fragrant® scent discs horizontally in the slots on neck of unit.
4) The unit can be turned on using 3 different methods:
   a) To turn unit on for continuous use, press on/off button (1st button on left). Press button again to turn off.
   b) Press middle button to turn unit on for intermittent 2 hour cycle (unit cycles on and off automatically every two hours). To end the 2 hour on/off cycle, press the first button.
   c) To run continuously for 8 hours press the right button. It will run for 8 hours and then turn off automatically.

Fan speed: When the unit is turned on, the fan speed will be set to low. To increase fan speed, push the right side (marked Hi). Continue pressing up to three times to reach maximum speed.

*To Clean the filter:
1. Turn power on your unit off and unplug the adaptor from the wall; then remove the adaptor from the unit.
2. Turn the unit upside down and remove the filter by turning it counter-clockwise until the tabs are aligned with the slots and the filter slides out easily.
3. Gently tap the filter on front & back side to remove large dust and particles or use hairdryer set on low temperature moving back and forth, blow out one side and then the other side for approximately 5 seconds per side.
4. Run the filter under warm running water for 8-10 seconds per side.
5. Allow the filter to dry completely, preferably where it can get air from both sides of the filter. Do not dry in direct sunlight as this may damage the filter.
6. Replace the filter back into the unit, with orange side facing fan, by aligning tabs with the slots and turning clockwise to secure the filter in place.

* For normal household use, clean the filter every 30 days.
