IMPROVEMENTS®

Set of 2 Shoe Box Organizer

Thank you for your purchase. To ensure the maximum performance of your item, please read and save these instructions.

Contents:

Each organizer measures: 17 x 17 x 12 1/2 inch

Care:

- Weight limit per unit is 30 lbs.
- Spot clean only.

Use:

- Beyond shoe storage, this fabric shoe organizer works for clothes, blankets, toys, and accessories.
- The shoe storage suitable for bedrooms, attics, cubicles, entry ways, basements, garages, dorms, closets, shelves, and wardrobes.
- Adjustable Dividers: Custom store any shoes, no more wasted space.
- To create smaller sections, simply pop the flexible dividers into place to form a grid. For larger sections, pop the dividers back towards the frame of the container to open up interior space.
- For best use, it is recommended to store sandals, sneakers, slippers, etc. in this product. It is not recommended for use with utility boots.
- It is not recommended to stack the organizers on top of each other.
- Exterior of the bins include a waterproof coating to ensure your items stay dry.
