! **Tip:** for basket to be on the left, slide plastic drawers in the back of cart.

1. Important Safeguards

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.

When using the product, basic safety precautions should always be followed to reduce the risk of injury including the following:

- For domestic use only.
- A competent adult must assemble this product.
- Keep children and pets away while assembling up the product.
- Always use on a firm, level ground.
- Do not use this product if any parts are missing, are damaged or worn.
- To avoid scratching the floor, assemble the product on a soft surface, such as a carpet.
- Do not overtighten the fasteners (hardware).
- Regularly examine the product for wear and tear. Replace at first sign of damage or if parts become detached.
- Do not use power tools to assemble the product. Power tools may strip or damage the parts.
- Do not overload the product. Load the product evenly and place the heaviest items on the lower shelves.
- Never exceed the maximum load capacity of 44 lbs (20 kgs).

⚠ CAUTION Risk of injury!

Product can tip over. Do not let children climb on or play with the product.

IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

2. Before First Use

Check for transport damages.

⚠ DANGER Risk of suffocation!

Keep any packaging materials away from children – these materials are a potential source of danger, e.g. suffocation.

3. Cleaning and Maintenance

3.1 Cleaning

- To clean the product, wipe with a soft, slightly moist cloth.
- Never use corrosive detergents, wire brushes, abrasive scourers, metal or sharp utensils to clean the product.

3.2 Maintenance

- Regularly check that all the components and fasteners (hardware) are tightened.
- Store in a cool and dry place away from children and pets, ideally in original packaging.
- Avoid any vibrations and shocks.
