

# Mini Fan Light with Flexible Tripod

## User Manual

Model # CP-FFLED01PB

### How to use the Mini Fan Light?

There are two buttons on the back (a fan button and a LED Light button)

1. Press the fan button to turn on the fan in low speed mode (default setting), press again to middle speed mode, press again to high speed mode, press one more time to turn off the fan. The green fan indicator and the blue power indicator will be on when the fan is running. The green fan indicator indicates fan speed mode - High/Middle/Low. The power indicator indicates the power status.
2. Press the LED light button, the light will turn on at the low brightness mode (default setting), press again to middle brightness mode, press one more time, it turns to high brightness mode, press again the light will turn off. The blue power indicator will stay on when the LED light is on.
3. The Mini Fan Light head can be rotated 360° vertically and horizontally. The top hook is for hanging the fan light.

### How to charge the Mini Fan Light?

Please use a suitable power adapter (advise to use 5V 2A or above) and Type-C USB cord to charge the Mini Fan Light through the INPUT port. When the Mini Fan Light is charging, the power indicator light turns blue and flashes, it will stop flash when fully charged, will turn off in 10 seconds after you pull out the USB cord.

### How to use the power bank function of Mini Fan Light?

The Mini Fan Light can be used as a power bank to charge electronic devices such as mobile phones. When charging devices, the blue power indicator is on, will turn off in 10 seconds when you pull out the USB cord.

## Warning

This device complies with Part 15 of FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Any changes or modification to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Responsible Party: KMS LLC, 811 E Waterman Wichita KS 67202, 1-800-752-5262 ext #1.

## WARRANTY

The manufacturer warrants this unit against defects in materials and workmanship on functional parts, for a period of 6 months from the original date of purchase. Your sales receipt showing the date of purchase of the product is your proof of purchase. Keep sales receipt in a safe place for future reference. This product is made with the highest quality materials and is warranted to be free from defects in materials and workmanship at the time of purchase. This limited warranty applies to products manufactured or distributed by the manufacturer, are delivered in the continental United States, and extends to the original purchaser, or gift recipient. This warranty becomes valid at the time of purchase and terminates either by the specified time frame listed above and or owner transfer. Any extended warranties (Warranties that cover above and beyond this manufacturer warranty) that are sold through a retailer or third party, are not directly correlated with this products limited warranty, and may be redirected to said retailer or third party for coverage. This warranty extends through the manufacturer of the product and covers functional parts only. Cosmetics are not covered, unless unequivocally determined it is a workmanship defect. Shipping damage should be addressed with the shipping company, retailer or place of purchase, not the manufacturer unless the manufacturer was the direct shipper. The manufacturer's sole obligation under this warranty shall be limited to furnishing the original purchaser replacement parts for units deemed repairable by the supplier's warranty department. The purchaser is responsible for insurance coverage on any parts shipped or returned if desired. The purchaser is responsible to prepay any shipping charges (both ways) including, but not limited to taxes and duties. All exchanged parts and products replaced under this warranty will become the property of the manufacturer. The manufacturer reserves the right to change manufactures of replacement parts or products for use, in order to cover any existing warranty. The purchaser may be asked to provide the supplier with proof of purchase documents including the date of purchase. Any evidence of alteration, erasing or forgery of proof of purchase documents will be justified cause to void this limited warranty. This warranty does not apply if the unit has been subject to negligence, fabrication, misuse, abuse or repairs, alteration by non-manufacturer authorized personnel, inappropriate

installations or any case beyond the control of the manufacturer. Examples of warranty invalidation may also include, but are not limited to:

Use of lacquer or paints in (and around) the unit Electrical requirement deficiencies (see manual for specific electrical requirements)

The manufacturer shall not be liable for any loss due to use (or misuse) of the unit or other incidental or consequential costs, expenses or damage. Under no circumstances shall the manufacturer or any of its representatives be held liable for injury to any person or damage to any property, however arising.

Any implied warranty shall have duration equal of the applicable warranty stated above. Specifications are subject to change without notice or obligation. This limited warranty gives the original purchaser specific legal rights. Other rights may vary from state to state. In order to utilize the warranty, you must have proof of purchase receipt.
