Safety & Usage Guidelines

The precautions indicated here are important for preventing harm or damage, so please be sure to follow them.

Do

- Use indoors only
- Distribute weight evenly across drawers
- Check stability before use
- Clean with a dry or lightly damp cloth

Do Not

- Do not overload drawers or top surface
- Do not sit, stand, or climb on the unit
- Do not place hot items directly on surfaces
- Do not use in high humidity or direct sunlight
- Do not drag when moving (lift fully instead)

Caution

If you handle this while ignoring the warnings, you may suffer property damage or injury.

Important Safety Notes

- Keep away from heat sources (heaters, stoves)
- Do not allow children to climb or hang on the unit
- Stop using immediately if any part is damaged

Before You Begin

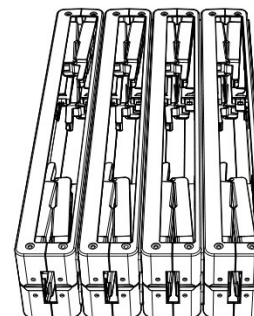

- Assemble on a flat, stable surface.
- Place a mat or cardboard underneath to protect your floor.
- Keep hands clear of joints during assembly to avoid pinching.
- Keep children away during assembly.
