INSTRUCTIONS

- Adhere floral patterned cardstock to 12" x 12" dark pink cardstock with double-sided adhesive.

- Place die face up and cardstock face down on Cuttlebug machine and die cut all light pink metallic cardstock pieces using the “Floral Arch” solid shadow die.

- Die cut all pink tonal floral cardstock pieces using the “Floral Arch” die. (The Tool ‘n One is helpful in the removal of the paper from the metal die.)

- Layer the “Floral Arch” die cut pieces on top of the “Floral Arch” solid shadow die cut pieces. Adhere along the bottom straight edge of the “Floral Arch” solid shadow die cut pieces, with double-sided adhesive, as shown.

- Attach to floral cardstock on each of the four angled corners, as shown, with double-sided adhesive.

- Die cut all dark pink cardstock pieces using the “Arch” solid shadow die. Die cut light silver cardstock pieces using the “Arch” die. Layer the “Arch” die cut pieces on top of the “Arch” solid shadow die cut pieces, and adhere with double-sided adhesive.

- Layer the “Arch” die cut pieces on top of the “Arch” solid shadow die cut pieces, and adhere with double-sided adhesive.

- Die cut all light silver cardstock pieces using the “Floral Edge” die.

- Attach floral cardstock strips to bottom straight edge of the “Floral Edge” die cut pieces.

- Forming a square on top of the previous die cut layers, adhere with foam adhesive along the bottom edge of the die cut, as shown.

- Adhere pink patterned script cardstock piece to the center of the pink tonal 3.25" x 5" cardstock piece with double-sided adhesive. Attach photo to this layer with double-sided adhesive. Adhere to right side of square frame with foam adhesive, as shown. Attach title sentiment with foam adhesive and journaling tag with double-sided adhesive. Attach floral embellishments to all four corners with foam adhesive.
